

Join the Chamber!

The Ottawa Area Chamber of Commerce is an assembly of those who are involved with, and have an interest in, business and free enterprise. The Chamber seeks to provide opportunities and support for business owners and leaders to increase their return on investment and create an environment that encourages entrepreneurship including starting new businesses and growing existing businesses.

The Ottawa Area Chamber of Commerce currently unites more than 270 members in an integrated series of programs to strengthen the business climate and region in which we live. Specifically, the Chamber supports:

- Development initiatives that stimulate commercial activity and the influx of local capital.
- Member-Investor benefits that are unique value-added services seen by members as a direct return on their annual Chamber investment.
- Advocacy and representing the interests of business and free enterprise on public policy matters.

Your membership dues investment, which is a tax deductible business expense, offers you valuable benefits. Continue reading for more information...

investment and involvement strengthens the Chamber, and in turn, strengthens the community. The Chamber continually strives to increase the value of your membership by seeking out new benefits and services that can assist you and your business.

Chamber members are professionals drawn from businesses, industry, education, government, churches, civic organizations, individuals and retirees. There is a place in the Chamber for anyone who seeks to build a stronger community!

Participating in events can lead you to some of your best business contacts and allows you to positively influence the business sector. The more involved you are with the Chamber, the more you will benefit !
